- Cabinet bracket included
- Vertical and horizontal installation possible
- Long LED lifespan (25,000 hours)

Helva Double Basic is a modern and minimalistic wall light with integrated LED that is suitable for bathroom use thanks to its high IP rating (IP44).

The wall light emits a beautiful and natural light, RA90, that can be turned on and off using the wall switch. Helva Double Basic can be installed either vertically or horizontally, allowing you to frame all sides of your mirror to create the perfect lighting effect. However, if you would prefer to mount the lamp on a cabinet, this can easily be done thanks to the cabinet bracket included.
