- Small compact design • Beautiful light and shadow effect
- Extra durable material suitable for coastal areas (Designed For Seaside) • 10-year guarantee on surface deterioration

Sculptural design and modern minimalism are the keywords for the Aludra series by renowned Jacob Jensen Design. A compact and versatile ceiling light that creates a beautiful light and shadow effect and welcoming ambience in your outdoor spaces.

This product is part of our "Designed For Seaside" range, crafted with a unique surface treatment and paint to withstand even the harshest coastal weather conditions.
