- Both up- and downlight • Extra durable material suitable for coastal areas (Designed For Seaside)
- 15-year guarantee on surface deterioration

Stylish outdoor wall light from Nordlux in streamlined design – a gorgeous outdoor light source for the front door or near the carport. The light has two light bulbs, which give an elegant and interesting lighting.

This product is part of our "Designed For Seaside" range, crafted from extra durable materials to withstand even the harshest coastal weather conditions.

Over time, exposure to the elements causes copper to develop a beautiful, darker patina.
