Secondary material: Glass  
Suitable for Seaside: False  
Colour: Galvanized

- Decorative downlight effect • Parallel connection possible • Adjustable motion sensor turns light on
- Dark Sky Protection • Durable material that is well-suited to harsh weather • 15-year

Tin is an elegant wall light that provides good lighting for your main entrance, house facade or garage. The design is streamlined and Scandinavian, and the downward-facing light creates a beautiful light effect on the wall. Tin has a built-in sensor that turns on the light automatically when it detects motion.

Made from durable galvanized steel that is well suited for harsh weather.
