- Easy push-in installation without springs or brackets
- Can be mounted directly into insulation
- Suitable for deep ceilings
- Directional light (15 degree tilt)
- Parallel connection possible
- Suitable for the bathroom

Umberto is an elegant downlight that is very easy to install without any springs or brackets – making it ideal for even deep ceilings and various materials.

Umberto requires a regular GU10 bulb and can be adjusted for a directional light. The high IP rating (IP44) means it is also suitable for the bathroom.
