- Simple, modern design
- Beautiful fluted glass
- Japandi style with a mix of opal glass and black metal

Milford Mini is a decorative series with mouth-blown opal glass that creates a soft and almost "pleated" look. The design is simple and modern with a mix of opal glass and black metal. The combination of the organic forms and the fluted surface creates a sense of elegance and illuminates the room with a soft light.

The height of the lamp can be adjusted by concealing part of the cable inside the canopy. This way, you avoid cutting the cable. When part of the cable is hidden inside the canopy, the lamp can hang with a minimum cable length of 60 cm.
