- Glamorous modern style • Matte white opal mouth blown glass
- Provides a soft, diffused light

Lilly is a highly decorative series that combines simplicity and elegance in the finest possible manner. There is an obvious ease to the interplay of the minimalist frame and the elegant, luminous glass domes where the opal white glass lets a warm and pleasant light penetrate it.

The interaction between the black matte surface and the light opal glass makes the Lilly pendant extremely elegant. The placement of the luminous glass domes creates a complete and decorative whole, and simultaneously provides 36-degree lighting throughout the room.
