- Maritime robust design • Extra durable material suitable for coastal areas (Designed For Seaside)
- 15-year guarantee on surface deterioration

Helford has been inspired by the harsh Nordic weather with rough nature and roaring seas. The maritime design highlights the raw and rustic and makes Helford a decorative wall lamp which fits beautifully at the front door, the garage or on the fence.

This product is part of our "Designed For Seaside" range, crafted from extra durable materials to withstand even the harshest coastal weather conditions.

Over time, exposure to the elements causes brass to develop a beautiful, darker patina.
