Suitable for Seaside: True	Pcs Per Master Carton: 3	
Colour: Galvanized		

- Built-in parallel connection • Extra durable material suitable for coastal areas (Designed For Seaside)
- 15-year guarantee on surface deterioration

A classic wall light from Nordlux with sensor. The wall light is perfect for mounting in the driveway, at the entrance, on the terrace, or on the patio. The built-in sensor ensures that the light turns on automatically when it detects motion nearby. At the same time, it ensures that the light is not turned on unnecessarily.

This product is part of our "Designed For Seaside" range, crafted from extra durable materials to withstand even the harshest coastal weather conditions.

Over time, exposure to the elements causes the galvanised steel to develop a beautiful, darker patina.
