Colour: Galvanized

- Built-in parallel connection
- Extra durable material suitable for coastal areas (Designed For Seaside)
- 15-year guarantee on surface deterioration

The Agger wall light – a traditional outdoor light in galvanized steel. Suitable for energy-saving bulbs or LED bulbs.

This product is part of our "Designed For Seaside" range, crafted from extra durable materials to withstand even the harshest coastal weather conditions.

Over time, exposure to the elements causes the galvanized steel to develop a beautiful, darker patina.
